Loco is an intermediary that enables online interaction between two or more users and allows them to create, upload, share, disseminate, modify or access information using Loco's services. Loco encourages creators to express themselves fully and monitors user-generated content only to the extent required by law. Loco's moderation processes are carried out on a best effort basis. They are a mix of machine learning and human intervention, including through community reporting. While our processes are improving, there may be instances where detection has escaped. Loco is committed to making its platform a safe and positive environment. We welcome feedback and queries at [support@loco.gg](mailto:support@loco.gg).
